

Timișoara, May 22nd, 2024

To: Yuriy Fedkovych Chernivtsi National University

For the attention of: **Sikora Vira**, coordinator of the Mathematics and Computer Science study programme

Dear Ms. Sikora Vira,

West University of Timișoara, as a founding partner of the UNITA European Universities Alliance, would like to formally announce that the Internationalization of Curricula Through UNITA 2024 matching event will be hosted by our university over the course of two days: 5-6 June 2024.

This event aims to create connections between coordinators of study programmes from the higher education institutions that are part of UNITA, who will share ideas and work together towards developing joint actions in the area of Higher Education. This consists of coming together and establishing, for each matching group, the best way to go forward, from organizing a thematic school to developing a double or joint degree study programme. Considering this, Ms. Sikora Vira, please take into account that you have been matched in the Computer Science group and you are invited to take part in the event. As the schedule for the two days is full, we suggest arriving on the 4th of June at the latest and departing after June 7th.

As our alliance has now entered the second phase of its existence as of November 2023, it has also passed through an enlargement process, being joined by 4 new Partner Universities, as well as 2 Universities that have the status of Associated Partner, one of them being Yuriy Fedkovych Chernivtsi National University. It is in this context that the West University of Timișoara has made a proposal to Yuriy Fedkovych Chernivtsi National University to join us in Timișoara with some of their study programmes coordinators for the Internationalization of Curricula Through UNITA 2024 matching event. Please keep in mind that accommodation will be provided by West University of Timișoara for the participants coming from the Yuriy Fedkovych Chernivtsi National University. For any information concerning the event please contact the Director of the UNITA Department at West University of Timișoara, Dr. Andra-Mirona Stan-Drăgotescu (e-mail: andra.dragotescu@e-uvt.ro; mobile: +40723158191).
