Content of the teaching programme (course titles, hours number, didactic methodology)

I gave lectures according to the four skills that students should know: reading, listening, speaking and writing should be conducted according to the learners' level of study.

Lecture topics:

1. Competent communication in Ukrainian on a professional level
2. Comprehension and use of language skills and expressive means of Ukrainian (terminology, professionalisms).
3. Natural and creative use of language skills and expressive means (periphrasis, metaphor, terms in specific field).
4. Ability to transform one type of Ukrainian text into another (scientific into popular scientific).
5. Use of elements of rhetoric in a text composition.
